

HAXE + Ruby -> To Probe Advanced MRI Scans Using AI + Android Devices + RASP PI Devices + Bosch-XDK IoT + HPC Systems -> A Novel Suggestion & Short Technical Note.

Dr.Nirmal - Current Member - ante Inst UTD Dallas TX USA - hmfg2014@gmail.com

Our Simple Algorithm is designed based on our TITLE above. Rigorous Testing in Progress @ the TIME of Submission.

Let us TEST these concepts w.r.t Ruby + HAXE -> Proving Quality & Quantity of MRI Scans in the Context of COVID-19/Corona Virus related Bio-informatics.

Our Inspiration is :

[a] <https://github.com/freeCodeCamp/devdocs/blob/main/lib/docs/scrapers/haxe.rb>
