Please FINE TUNE our Algorithms presented in the above mentioned reference as per your requirements.

Rigorous Testing in Progress @ the TIME of Submission -> We are seeing some interesting results -> A rare pioneering R&D Effort.

Non-Profit R&D - Inspire others always - Sincere Thanks to all WHO made this happen in my LIFE.Looking Forward ->>>>> ALL THE BEST.

With Thanks - Dr.Nirmal - Informatics R&D - USA/UK/Israel/BRICS Group of Nations.
