[I] Main Idea + Inspiration + Introduction :

As per our TITLE we are testing our Novel idea/s hence this simple presentation.Written in Free Style for Rapid Publication.

[II] R&D Informatics Framework Using Scala + AI + HOL Related Tools :

Can we generate an advanced system from : https://github.com/tejdnk-2019-ShortNotes/2021-Nir-Informatics/blob/main/FPGA-Scala-Java-Nir-21.pdf ?

Rigorous Testing in Progress @ the TIME of Submission.Scala is one of the Best Options in JVM based IoT Environments.

Yes,we can - Thanks for Understanding - Dr.Nirmal.

[THE END]
